Architectural Change Request

Name: _____ Lot Number: _____ Date: _____

Current Mailing Address: _____

CCRA Property Address: _____

E-mail Address: _____ Phone Number: _____

The Architectural Design Committee must be informed and the Request approved in writing prior to any improvements made to your property. The submission for approval of plans and specifications shall be mailed addressed to the Architectural Design Committee at the address listed above and/or emailed to the e-address listed above. The period of thirty (30) days for approval, pending, or denial thereof shall be calculated from the date of mailing request. (DCCR, Article VIII Architectural Committee)

Provide a description of proposed improvements, changes, additions and/or new construction (Form 103 is also required for new construction). All Change Request must include the nature of project, kind, shape, dimensions, materials, exterior color scheme, and location of structure on tract showing footage from property line. Refer to the Cedron Creek Ranch Association Architectural Design Guidelines (Form 102) for restrictions and guidelines. Attach additional pages as needed.

I hereby affirm and acknowledge, by signing below, that all provided information to be true and accurate. Any misrepresentation or omission may be grounds for rejection of my application. Your signature indicates agreement with the Cedron Creek Ranch Association requirements regarding construction and/or improvements. The Architectural Design Committee may do a follow-up inspection when the project has been completed.
